Licola Wilderness Village DiscGolfPark

Disc Golf Rules of Play

Welcome to the Licola Wilderness Village DiscGolfPark. Disc Golf is similar to traditional golf, but instead of a ball and club players throw a plastic flying disc. The "hole" in Disc Golf is a raised basket with chains to catch the disc. The idea of the game is to complete the course in the least number of throws. This course is free to play for everyone.

Safety

1. Don't throw when other players or park users are within range or still completing the hole.
2. Check that paths are clear before making a throw.
3. Use due care and attention when retrieving discs from the other activity areas.
4. Players must take responsibility for their actions and play at their own risk.
5. Please respect other course and park users and leave the course in good condition.
6. When walking between basket 6 and tee off for hole 7, do not walk directly under the flying fox cable when in use.
7. When archery is in progress caution must be exercised when playing to hole 2. If a disc is overthrown into the archery area the player must wait for instruction from the archery staff before retrieving their disc.

Out of Bounds

All roads, fences, and the river are out of bounds.
Use due care and attention when retrieving discs from out of bounds areas.

Rules of the Game

1. Each player throws from the marked tee area.
2. Subsequent throws are made from where the disc comes to rest (called the lie).
3. The player farthest from the basket is the first player to take their next throw.
4. The hole is completed when the disc comes to rest within the basket or basket chains.
5. A run up and follow through are allowed unless within 10 meters of the basket where the player is required to remain behind their lie until the disc comes to rest.
6. If the disc has an unsafe lie, the next throw may be taken from the nearest lie behind the hazard, up to 5m back on a line from the basket.
7. A disc that comes to rest out of bounds is moved to within one metre in from the point where it last crossed the out of bounds (OB) line and 1 penalty stroke is added to the score.
8. All discs must pass the mandatory tree on the side noted by the arrow.
9. If the disc comes to rest in a tree, the next throw is taken underneath it with no penalty.
10. Remain quiet and avoid unnecessary movement while other players are throwing.
11. The winner is the player who finishes the course in the least number of throws.

Visitors

Visitors wishing to borrow discs can do so at the office on payment of a deposit.

Map Legend

☐ Shade Sails	🏠 TeePad	🔴 Target (Basket)
① Hole No.	🚫 Mandatory	🌳 Trees & Bushes
— Pathway	🛣️ Roadway (OB)	🛶 Waterway (OB)
🔥 Camp Fire	🏠 Accommodation	P Parking
🚲 Bike Riding	🛶 Canoeing	🧗 Rock Climbing
🏹 Archery	🦋 Flying Fox	🏃 Obstacle Course
🏐 Volleyball	🛖 Trampolines	🧗 High Ropes
♟️ Chess/Checkers	🧗 Low Ropes	🏊 Pool
🦋 Giant Swing	🏏 Mini Golf	🧗 Bouldering

Installation and assembly

For installation you will need:

- Two bags of rapid set concrete
- Screwdrivers
- Backhoe and shovel

To install the InfoBoard in the ground first assemble the frame. Next dig a hole for each leg, insert legs, and pour in concrete. Once the frame is set in concrete, the map component of the InfoBoard can be easily bolted to the frame.

The concrete is not included as standard in the delivery of InfoBoards. A suitable concrete foundation for this project is approximately 500mm in depth. Rapid set concrete is the easiest to use 2 bags for each hole.
